Manuscripts, including photocopies of illustrations, should be submitted in triplicate; original photographs, drawings, and plans should not be sent unless requested by the editors. All submissions are sent to reviewers in the form in which they are received; if an author wishes to maintain anonymity, the manuscript should be prepared accordingly. As the official journal of the Archaeological Institute of America, *AJA* will not serve for the announcement or initial scholarly presentation of any object in a private or public collection acquired after 30 December 1970, unless the object was part of a previously existing collection or has been legally exported from the country of origin.
