A version of figure 6 in the article “A New Tetrarchic Relief from Nicomedia: Embracing Emperors” by Tuna Şare Ağtürk (*AJA* [2018] 411–26) was published with an incorrect scale bar. The corrected version of figure 6 for this article is provided here and has replaced the incorrect version in the digital edition.

FIG. 6. Map of the Çukurbağ archaeological site. The star indicates the findspot of the relief block with the embracing emperors. The monumental stairs are south of the modern road, between two modern buildings (courtesy Çukurbağ Archaeological Project [TÜBİTAK 115K242]).
